ABOUT THE ISHRS

The International Society of Hair Restoration Surgery (ISHRS) is a global non-profit medical association and a leading, unbiased authority in medical and surgical hair restoration with more than 1,200 members throughout 70 countries. Founded in 1993, it was the first, and is now the largest, international society to promote continuing quality improvement and education for professionals in the field of hair restoration surgery. Members have backgrounds in varying medical specialties including dermatology, plastic surgery, general surgery, and more.

The cornerstone of the ISHRS continues to be the annual world congress and the Forum publication. Both provide an accepted international forum for information exchange and rapid diffusion of new and innovative surgical techniques and instrumentation technology.

The ISHRS is accredited by the Accreditation Council for Continuing Medical Education (ACCME), which is the agency responsible for sanctioning medical education for physician licensure in the United States. The ISHRS holds a seat in the American Medical Association House of Delegates, which is considered “the House of Medicine” in the United States and one of the most important groups to effect standards and legislation. The ISHRS is a liaison organization member of the Comité Européen de Normalisation (CEN) [European Committee for Standardization] task force 403 “Aesthetic Surgery Services” where it assists with developing standards for hair transplantation among countries within the European Union.

Above all, the ISHRS is dedicated to achieving excellence in medical and surgical outcomes by promoting member education, international collegiality, research, ethics, and public awareness.

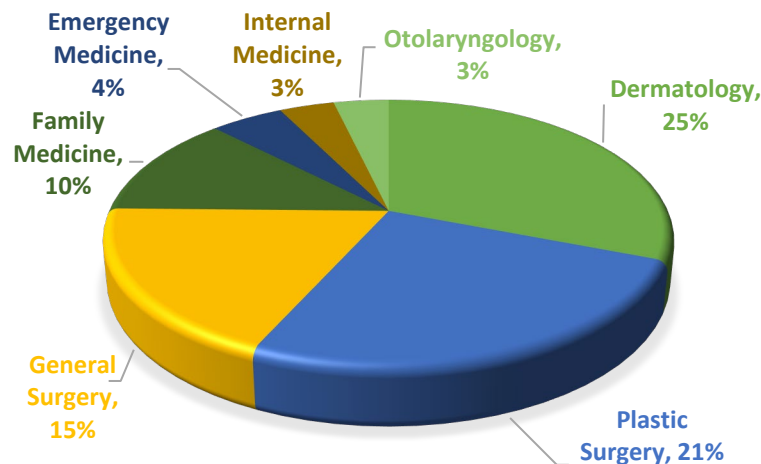

The ISHRS is a member of and leads the Global Council of Hair Restoration Surgery Societies which is comprised of 23 national and regional societies. Numerous countries’ Ministries of Health have contacted the ISHRS in the past for expert information on industry standards.

The ISHRS is the leader in hair restoration surgical statistics and trend data. See its 2022 Practice Census Survey results. The ISHRS has been cited in numerous major news outlets, publications, and receives much press since it is the most trusted source for unbiased information and the best education in the field of hair restoration surgery.

A large part of the ISHRS’s effort is dedicated to ensuring the safety of patients and developing methods to minimize risks to patients while meeting the expectations of patients. The ISHRS has published and maintains FUE Clinical Practice Guidelines, Core Curriculum in Hair Restoration Surgery, and Core Competencies in Hair Restoration Surgery.

The ISHRS is dedicated to facilitating the training of physicians. The ISHRS has a Fellowship Training Program, enduring educational materials and online resources, and offers numerous meetings that include lectures and surgical workshops. The ISHRS holds its biggest event, the annual ISHRS World Congress, around the world. Several of the countries in which it has organized meetings and live workshops include: United States, Australia, United Kingdom, Greece, Japan, South Korea, United Arab Emirates, Canada, Mexico, Malaysia, Thailand, The Netherlands, Czech Republic, Belgium, Poland, Spain, Italy, and India. Take advantage of the opportunity to catch the attention of the ISHRS meeting attendees by organizing a room drop. Room drop items are delivered directly to each attendee’s hotel room at the official meeting hotel, the Leela Ambience Gurugram Hotel. This is a great way to:

HOW IT WORKS:

The room drops will be delivered to all ISHRS room block guests at the Leela Ambience Gurugram only and will occur on one day only, **Thursday, November 2, 2023**. This is not an exclusive offer – all ISHRS room drops will be made on that day. The drop will go to ALL rooms in our ISHRS block at the Leela Ambience Gurugram which will be approximately **200 guest rooms**, dependent upon final attendance.

**In addition to the above fee, you will be responsible for producing your own room drop materials and delivering them to the hotel by the date required in a ready to deliver state. You will also be required to pay the Leela Ambience Gurugram’s room drop fees, which is currently \$3.00 per room per letter, and any receiving/handling fees your items may incur at the Leela Ambience Gurugram.
